(now known as Railway Recruitment Board) had on 9-9-83 published a panel of 790 candidates against the Employment Notice No. 1|82-83 dated 20-7-1982.

(b) No, Sir. On reports of alleged malpractices|irregularities, the Vigilance Organisation of the Northeast Frontier Railway was asked to screen the panel and they have furnished to the Northeast Frontier Railway Administration a revised panel of 433 candidates, which is now being operated.

(c) The High Court of Gauhati have held that the 357 candidates whose names were screened out of the 790 candidates must be deemed to have continued in the list and to have never been deleted from the list.

(d) and (e) The implications of the judgement are under scrutiny.

Addition of Gas Turbines for Proper Supply and Illegal Electricity Connections in Delhi

2016. SHRIMATI USHA MALHOTRA:
DR. LOKESH CHANDRA:
SHRIMATI KAILASH PATI:
SHRI ROSHAN LAL:

Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) the number of gas turbines which are proposed to be added to the Delhi power supply by March, 1986, and

(b) the number of illegal electricity connections detected in Delhi during the year 1984-85, and action taken thereon?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER (SHRI ARUN NEHRU): (a) Installation of 6 gas-turbine units of 30 MW each has been sanctioned for supplying power to Delhi. First unit is expected to be commissioned in March, 1986.

(b) 46 cases of theft of electricity and 2 cases of tampering with meters were detected by Delhi Electric Supply Undertaking during 1984-85. Electricity supply in all such cases was disconnected and reports lodged with police, besides initiating action for raising the bills after due asessment of the loss of energy. No illegal connections were detected in NDMC areas.

Power Generation in the Joint Sector

2017 SHRI BHUVNESH CHATURVEDI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) what concrete steps have been taken or are proposed to be taken to encourage setting up of power generation plants in the joint sector; and

(b) whether any industry|individual has come forward with the proposals?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER (SHRI ARUN NEHRU): (a) The policy regarding power generation is regulated by the Industrial Policy Resolution of 1956. This resolution contemplates that the future development of generation and distribution of electricity is the exclusive responsibility of the State. The resolution, however, does not preclude the expansion of the existing privately owned units or the possibility of the State securing cooperation of private enterprise in the establishment of new units, when the national interests so require.

(b) No detailed proposal for joint sector has been received by the Central Government although some suggestions have been received.
